

# DEVIZES BOWLS CLUB

Christmas Greetings - December 2020

## PRESIDENTS CHRISTMAS MESSAGE

As we approach the end of 2020 it is time to reflect on an exceedingly difficult year for us all and we must remember those who are no longer with us.

It has been a year like no other but with the news that a vaccine is now being rolled out it is a time to be optimistic about things getting back to some sort of normality.

I must say a huge thank you to your Management Committee who have worked tirelessly to ensure that the club is in a good position for when we are allowed back to full time bowling. Although we were not able to bowl as much as we would like, there was still a lot maintenance work to do and bills to pay so it is full credit to the committee for ensuring this was done.

Although the greens had little use this year, they still had to be maintained so a big thank you to Ken Curtis and all those members who have support him in providing excellent greens for us to play on. I would like to say a special thank you to Glyn who for many years has done a lot of the work carried out with machinery. Glyn has decided to retire from working at the club will be leaving the us in February.

I would also like to thank the Bowls Committee for organising what bowls was allowed during the past year and for ensuring all play was done within the Government Guidelines. I would also like to thank those members who came to the club each evening to sanitise all the equipment and ensure the club was secured.

Finally, can I thank you the members for re-joining your club and so providing much needed financial support although you were not able to bowl as you would normally. Now there is a glimmer of light at the end of a long tunnel, your Bowls Committee is well on its way to completing a normal year's fixture for 2021 but should there still be some restrictions they are planning an alternative fixture list which means you will be play some competitive bowls next year, so please re-join in April.

So, I close this message by wishing you all a very merry Christmas and a peaceful New Year and I look forward to welcoming you all back on the green in the spring.

Stay Safe and please keep in contact with those who may be on their own at this time of year.
